Zoe Roversi Giusti
Front-end Developer & Videomaker

I've always worked in the communication field. I'm an experienced videomaker and video editor, as well as a junior front-end developer. I speak four languages. I'm a sensitive person who pays attention to details. I have a lively imagination and curiosity, which help me find creative solutions to problems. I know how to work in a team. I prefer direct and kind communication and active listening.
